(949) 793-5811 | logankimbs@gmail.com | www.linkedin.com/in/logankimbs

EDUCATION

Bachelor of Science, Information Systems

Brigham Young University - Marriott School of Business

- GPA 3.50

Apr 2019

Provo, UT

EXPERIENCE

Software Developer

WaveOrtho

Aug 2019 – Present

Provo, UT

- Creating a comprehensive Customer Relationship Management (CRM) program to enhance customer relationships by managing customer interactions, tracking leads, and streamlining processes
- Collaborate with a team of developers to establish quality assurance procedures
- Organize and conduct weekly meetings using agile methodologies

Research Assistant

Brigham Young University

Jan 2019 – Apr 2019

Provo, UT

- Implemented a project which required collecting, analyzing, and submitting professional reports to granting agencies and foundations
- Maintained accurate records of experiments and research following the protocol devised by lead professor

Information Modeling Intern

Layton Construction

Apr 2018 – Dec 2018

Sandy, UT

- Maintained logs reflecting the status of shop drawings, requests for clarification, change requests, and proposal requests
- Collaborated to publish weekly progress reports for assigned projects
- Prepared project review packages for construction managers and superintendents
- Implemented and directed a project producing and distributing 3D scans to all major superintendents and project managers

Volunteer Representative

The Church of Jesus Christ of Latter-day Saints

Jul 2013 – Jul 2015

Tallahassee, FL

- Taught Christian principles and valuable life skills to a variety of people
- Organized weekly presentations and seminars focused on self-sufficiency and effective leadership

SKILLS & ACHIEVEMENTS

- Proficient in JavaScript, C++, SQL, Python, Data Structures, Database Modeling and Design, Data Security and Privacy, ERP's, Flowcharts, IT/IS Project Management, and Pivot Tables and Pivot Charts
- I love a good podcast, interesting conversation, and an unassuming win (especially in tennis). Jerry Seinfeld always makes me laugh. Skateboarding, surfing, fishing, and mountain biking light my fire. I'm a big fan of yard work. And love of family sustains me
